

REASON FOR REMEMBERING SEPT. 14, 1922.

Daughters were going back to college following week and wanted to return to Jersey City to do necessary shopping. On Friday evening had blue fish given her by Stevens for dinner. On Saturday she and her daughters kept matinee engagement with Mrs. Henry Stevens in New York City. On Sunday morning, Sept. 17th, remembers large headlines in papers of finding of bodies and that she remarked to her husband that "Dr. Hall was Mr. Stevens' brother-in-law." That was her first Sunday home.

ON OPERATION OF AUTOMOBILES BY HENRY STEVENS.
